Year 13

Last week students received an assembly outlining some key details as they start year 13. Over the coming weeks, we will be supporting students to make progress on their personal statements, applications and supporting them to identify opportunities available to them.

If this sounds like you, the Webinar may be of interest to you.

Takes place on Monday 14th September at 5pm,

It is an opportunity for young people to explore careers beyond the ones they may already know about and to access the kind of insight that often depends on family connections. We hope attendees leave with new ideas and a greater sense of what is possible.'
