Year 12

Students have now been issued with their ID badge lanyard. These must be worn around your neck at all times. Year 12 are showing increasing independence and maturity in their approach to learning. They are engaging thoughtfully in their lessons and settling well into the sixth form routines.

Year 13

In class assessments start next week. Students have been preparing for these by revisiting and applying the study methods and examination strategies developed during last year. We have seen students drawing upon their previous assessment experiences to refine their revision techniques.
